**Year's Prospects Good**  
The 1947-48 season for Torrance Woman's Club, under the direction of Mrs. W. I. Laughon, president, promises to be outstanding with splendid educational and cultural programs, increased social affairs and many ambitious ways and means activities planned.

Returning to the clubhouse last Wednesday afternoon for luncheon and a delightful program, clubwomen were enthusiastic with the transformation which had been effected during the past few weeks. Directed by Mrs. Laughon, a pleasing program of redecorating resulted in the beautification of the foyer and auditorium. All the work had been accomplished at minimum cost to the club by Mrs. Laughon and a group of clubwomen who had volunteered their services.

The appearance of the clubhouse was further enhanced by a gift of furniture presented by Mrs. W. I. Laughon and E. L. Cook following the remodeling and refurbishing of their Torrance Medical Group Center.

Following introduction of new members by Mrs. Tom F. McGuire, membership chairman and many guests, Mrs. A. H. Silligo, program chairman, presented as guest artists Anne Ashley, coloratura soprano with John Nickol, pianist, who provided a delightful diversified program of music.

Federation participation was noted by the reports of Mrs. E. A. Miles on a parliamentary law conference and of Mrs. S. V.

Rauss, on a federation extension conference at Los Angeles headquarters. Accompanying these ladies to the conferences were the president, Mrs. W. I. Laughon, her mother Mrs. L. Ahrens and Mrs. J. P. Montague, president of Junior Woman's Club.
